Supplementary Packs

Add more fun and realism to the models you can build from your Basic Set by collecting Lego supplementaries. Get them from your local toyshop with your pocket money and see how quickly your Lego collection grows. The colour code shown under the bricks indicates the range of colours available.

LEGO BLUEPRINT PLANS

Look out for the series of 4 Blueprint Plans during 1965. They cost one penny and give full details for building a particular model and a list of bricks required. Each one will be advertised in comics when available. Blueprints are designed for children of 7 years and above.

How to build

Ideas Book No. 3—1/-
(replaces Books No. 1 and 2).

Lots of fresh ideas for model builders of all ages.

"Anna Miranda and Mark Build a House," an exciting Lego story with blue-print plans for building the magic house and wizard's boat—1/-.
