PRICES.
A lot of consumers ask us: "What is the price of this or that article?" However, the law says every shopkeeper is free to determine the sales-price. Not us.
Nevertheless, in order to help you, we show **approximate prices that are only for guidance.** We neither recommend nor suggest retail prices and they imply no obligation on the shopkeeper.

Brick by brick

DUPLO and LEGO® Toys are for all children, from babies to teenagers. The variety is enormous, yet all series are based on the same idea: to enable your child to make its own toy – and to make many toys from each set. Furthermore, DUPLO and LEGO bricks fit together so "old" ones come alive again when exciting new ones are added.
What other toy system gives you so many possibilities? Brick by brick, year after year.

Join the LEGO® Club

If you are a keen LEGO® builder then the LEGO Club is for you. The Club magazine "Bricks 'n Pieces" keeps you up to date with new LEGO models, exhibitions to see, models to build and competitions to enter. If a photograph of one of your models is published in "Bricks 'n Pieces" you become a "MASTER BUILDER". Ask your mum or dad if you can join.

Please note: LEGO Club mailings can only be posted to addresses in the UK and Ireland.

Look what you get when you join:

1. Exclusive LEGO Club Badge
2. Personal membership card
3. Colourful sew-on patch
4. Special Club stickers
5. 3 copies of the LEGO Club 12 page magazine "Bricks 'n Pieces" during your membership
6. The chance to enter special Club Competitions with lots of prizes to be won
7. Occasional special offers from the Club mail order shop
8. Plus special surprises during your year's membership
